Roffe Figure 3: published results and canonical BP
Paper: ordinary BP (digitized)
Canonical BP + pointwise 95% interval
Toric [[162,2,9]], T=162
25/25 paper points inside intervals
Toric [[242,2,11]], T=242
28/28 paper points inside intervals
Toric [[338,2,13]], T=338
28/28 paper points inside intervals
Toric [[450,2,15]], T=450
28/28 paper points inside intervals
